

## Harvest Around the World

read page 8 of **Your Reach**

### Homework Instructions:

- 1) Choose any meal you can think of that has at least 3 ingredients from different parts of the world.

*TIPS: the ingredients include really small things like herbs and spices – you can always look at the list of ingredients on the box of any meals you may have at home or in a cookbook.*

- 2) For each ingredient find a few countries that grow this food
- 3) In the box, draw a picture of the plant or animal that the food comes from.

**Don't forget: Ask permission before using the internet!**
