Harvest Around the World

- Write your own prayer

Based on page 8 of Your Reach Autumn 2017.

Think about what it would be like to live in a country where there is hunger. Imagine how you would feel if you were told there was no lunch or dinner today. Write a prayer thanking God for what we have and praying for those who are not as fortunate as ourselves.

If you want to you can send your prayer to yourreach@cathcomreach.com and we might include it in the newspaper.

AMEN

Don't forget Your Reach is packed full of FUN, PUZZLES and lots to think about!
