Harvest Festival - Write your own prayer

Based on page 7 of Your Reach Autumn 2017.

Ask the children to read the Harvest Festival section on page 7. Explain how important it is that food grows and how lucky we are that we don't have to worry too much about where our next meal will come from.

Ask the children to write a prayer to thank God for our food and to help those that have none.

Write your prayer below:

If you want to you can send your prayer to yourreach@cathcomreach.com and we might include it in the newspaper.

AMEN

Don't forget Your Reach is packed full of FUN, PUZZLES and lots to think about!
